Hi Darren! This is Natalie (Kolegraff). You and your band played at our wedding in Estes Park at the Della Terra Mountain Chateau on 09/18/09. I just wanted to say.... WOW! You were all absolutely AWESOME!. We had such a wonderful time and DKO made it happen! You were the best band I have ever seen and heard and would recommend you to anyone and everyone. If we ever have another event in Colorado we know who we are calling! ... Thank you for being so considerate and patient with everything and we can't thank you enough for such a great job!. I knew I was going to love you when I listened to your music on your website but there is absolutely no way to beat DKO live! You blew us and our guests away!! Thank you, thank you, thank you! Also, one more question..... Was the hotel room OK? I hope you had no problems checking in and out... I tried to give the girl at the desk as much information as I could. :)
Thank you again!

All of you guys were absolutely FABULOUS!!! Truly, you all are world-class talent and we had just about everybody comment on how much they enjoyed and appreciated your music.
Thank you also for humoring me and letting me sing along. You truly made our day special.

Hello Darren (and the rest of DKO),

We just wanted to thank you for a rocking, jazzy, wonderful evening at our wedding reception! You got our dancing friends up and moving and provided a festive atmosphere for those chatting and enjoying the beautiful night on the patio. Many compliments for your stylings from our friends and family throughout the night and after! Thanks for being such a memorable part of the evening! We'll look forward to following your shows in the Denver area.

Thanks again,

The wedding was a blast and our reception was SOOO MUCH FUN thanks to your band. You guys were terrific and we have received soo many compliments regarding you guys and your music. I wish we could re-live the whole night over, it went entirely way too fast and I had entirely way too much fun. I will never ever forget the evening and it was so special because of what you added to the party. Music can make or break an occasion and that my friend, made it!

Darren, Thank you so much to you and your band for the amazing musical performances throughout our wedding day. The pianist and the trumpet player were great at the church! The jazz quartette was perfect for the cocktail hour and the band rocked during the reception!! We needed a bigger dance floor..the guests did not want to sit down:) Thanks again:) We would definitely recommend you to any of our friends in the Colorado area.

Thank you so very much for performing at our wedding on Sept 30. (Historic Brown Palace Hotel) Brett and I were so pleased with your band. Thank you for not making us worry about anything. We received a lot of compliments for choosing DKO! Everyone was so professional and the music was perfect. Everyone loved you guys and thought you were an incredibly unique group! Although you did play many of the "party favorites", your jazz influence and amazing sound just blew everyone away!

I worked in the music industry for a few years and have been to about 20 weddings in the past three years in the area and I think DKO is the best wedding band I have seen as of yet. (vocals and horns especially) DKO is great. Everybody was really impressed. Well worth the money. Darren is also very responsive to special requests. I wrote a song that he and I secretly recorded before the wedding (as a gift to my wife) and ended up playing it with the band during the reception. Not many bands are open to this, and everything was well beyond what my expectations were. I also had him play jazz piano at the cocktail hour and his guitarist played acoustic guitar during the reception. No complaints at all. MY ADVICE: Go with DKO! ...I personally like a lot of Stevie Wonder/James Brown/etc so make sure you get the full band with the horn section, because it really makes a difference.

Darren please tell the band that Lyn and I loved having DKO play our wedding reception. Comments like, "Wow, these guys are goooooood!" was very common. My brother remarked, "In the first five minutes I was completely confident that everything they were going to play would be clean, tight, and appropriate." Also, it was music we could dance to or (in my case) move awkwardly to. Many thanks for making it all happen. Furthermore, the CDs are really something. And Lyn and I thought, "Hey, these would make great thank you gifts!"

I just wanted to say thanks for doing such an amazing job at our wedding. I can't tell you how many people have commented to me about how fun your band was. It truly made the wedding a memorable experience for everyone and I know a few of my girlfriends want to use you guys when they get married. Thanks again for everything! We hope to see you in Denver sometime soon.

Just wanted to thank you for such an incredible night. We had the best time rocking out to the tunes. Our first dance was so romantic, the dance with my Dad was just the perfect one, the tunes after were even better. Looks as though everyone else thoroughly enjoyed the music too. It could not have been any better... Thank you. Until we need a band again, I will pass on your name to everyone :)
